Busy Toddler's Guide To Actual Parenting. From Their First "No" to Their First Day of School (and Everything In Between) You don't need to feel alone in parenting. You don't need to feel like you're failing. And you definitely don't need another parenting book filled with theoretical advice about theoretical children.

Busy Toddler - making it to naps, one activity at a time

In today's world, parenting is tough and being a kid (with immense pressure to grow and develop faster than nature wants) is even tougher. It takes a village to raise our kids, and sometimes that village includes a mom blogger you found on the Internet. I'm so glad you've found Busy Toddler and hope you'll keep coming back to visit.

I originally started Busy Kids Happy Mom in 2011 as a place to put all of my ideas. I love sharing things with other moms, but could never find the files! So, in an effort to get things straight, this blog was created. I love connecting with people from all over the world.

Kristen Mason Busy Kids Happy Mom

Minimal supplies needed. Hold little attention spans. I'm looking for indoor activities that can help. If your child is having a hard time finding play.... an activity can jump start that. If your child is fighting with a sibling.... an activity can reset them. If you need a minute to make dinner.... an activity can help.
