Combining productivity with planning is very on trend this season. The days of dedicating different time-slots for your to-do lists, taking notes, creating mood boards, mind-maps and scheduling reflection sessions, and having them all written or typed in different places, has passed. This contemporary method allows you to set goals, generate ideas and reflect as you go along as part of your ...

**21 Best Planners for 2021, According to Productivity ...**

This planner comes in 2 designs: classic and minimal. Each week includes a 2-page spread. In the classic layout (my favorite), one page is for the to-do list and one page is for weekly appointments. In the minimalist design, each week is a 2-page horizontal layout. If you have a big weekly to-do list, you will probably like the classic layout.
