Conflict, Negotiation - Master

Until recently, the European Union tended to view violent mass conflicts predominantly through the lens of negotiations between conflict leaders and powerful external actors. Today, the EU has begun to recognize the imperative of understanding and influencing developments on the ground in conflict situations by engaging with local civil society.

The European Union, Civil Society and Conflict | Taylor ...

For this reason, the members of the EU need to handle their differences in a civilized manner so that they can attain economic, social and political prosperity. In order to improve the cooperation between the member states, signing of treaties can be used to reach agreements in areas of conflict (Kveghelidze, 2010).
