IT Security - ICDL - International Computer Driving Licence

The security of your Raspberry Pi is important. Gaps in security leave your Raspberry Pi open to hackers who can then use it without your permission. What level of security you need depends on how you wish to use your Raspberry Pi. For example, if you are simply using your Raspberry Pi on your home network, behind a router with a firewall, then ...

Securing your Raspberry Pi - Raspberry Pi Documentation

European Computer Driving Licence (ECDL), also known as International Computer Driving Licence (ICDL) in non-European countries, is a computer literacy certification programme provided by ECDL Foundation, a not-for-profit organisation.. ECDL / ICDL certification - is a globally recognised information and communication technology (ICT) and digital literacy qualification.
