FDA Food Code 2013 - International Food Safety and Quality ...

The FDA Food Code is not federal law. It is the FDA's best "advice" for ways to ensure that food at retail and in foodservice is safe, properly protected and presented. It is up to the agencies that have responsibility for food safety to either adopt or adapt the FDA code to their own jurisdiction. The FDA Food Code is currently updated every four years with the last full update in 2013. The FDA may issue supplements between full editions if something needs to be updated or clarified. You ...
