The fact that praise from Jack Kornfield and Ram Dass appears on the cover of Rabbi David Cooper's "God Is a Verb" means: a) Cooper's publisher was trying to market the book to "spiritual seekers" all of stripes, not just Jews. b) The book is based more on Eastern philosophy than on Judaism.

### God Is a Verb by David A. Cooper - Goodreads

About God Is a Verb. Since medieval times, the mystical tradition of Kabbalah was restricted to qualified men over forty—because it was believed that only the most mature and pious could grasp its complexity and profound, life-changing implications. More recently, Kabbalah nearly disappeared—as most of its practitioners perished in the Holocaust. In the national bestseller God Is a Verb, this powerful spiritual tradition, after centuries of secrecy and near-extinction, is explained ...

In this sense God is a verb unlike us who are in one place at one time. Trust me he explains it much more lucidly. Furthermore, he does an incredible job in describing a way in which you can experiment with the Kabbalah. This comprises the third part of the book and is completely separate if you don't wish to read it.

In my spiritual direction class, we've each been asked to choose a book to review for our classmates. Off the list we were given, I chose Rabbi David Cooper's God is a Verb, and am sharing my review here as well because I thought some of y'all might dig this book too. There's a passage about the myriad ways of interpreting Torah which just knocks me out; it might merit its own post someday...
