Helmut Newton White Women

In White Women, Newton used nudity within the visual world of fashion. While such unusual pictures both astonished and provoked the scene, above all, they revolutionized fashion photography. Furthermore, Newton's photographs both reflect and comment on the transformation of the role of women in western society at the time.

Helmut Newton: White Women Sleepless Nights Big Nudes ...

White Women was and still is the legendary first book by Helmut Newton, published in 1976. His inimitable blend of aestheticism, technical perfection and luxurious upper-middle-class decadence is today just as appealing and controversial as it was thirty-three years ago. White Women is a delicacy in visual erotic literature that connoisseurs and people in the know still consider to be Newton's best book ever.
