I have always loved anything about Henry II who is considered one of the greatest monarchs in English history. Unfortunately good biographies on Henry II, who ruled England for 1154-1189 a.d., are somewhat hard to find. This is an excellent book. It is painstakingly researched and gives great insight into both the man and the empire he ruled.

Henry II was an enigma to contemporaries, and has excited widely divergent judgments ever since. Dramatic incidents of his reign, such as his quarrel with Archbishop Becket and his troubled relations with his wife, Eleanor of Aquitaine, and his sons, have attracted the attention of historical. novelists, playwrights, and
