Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

Ultimately, I want you to first fully read my site, and set your patient gaze on well-placed gambles, not crazy bets. Acting requires upping your bets according to your winnings, and taking chances always. An actor also hopes for a good amount of luck. I can't advise what you "should do." I'm not sure anyone can.
