In Good Company An Anatomy

"In Good Company explores with nuance the 'doing good' aspect of corporate social responsibility while looking critically at the problems of letting the market rule. It is a key addition both to the emerging body of work on corporate social responsibility and to the study of development more generally."

Anatomy of a good company: Delivery Hero. Jamie Ross, CFA Portfolio Manager. When considering an investment for the Henderson EuroTrust portfolio, we tend not to focus on market noise or any technical factors; the main thing we are doing is trying to establish whether what we are looking at is a good company or not.
