### New Amsterdam becomes New York - HISTORY

It's history, it's the past, it had some small impact on the world for sure, but there is no "evidence" of it and it is not deemed "important" in larger historical narrative and trajectories. History with a big "H" is the study of the past, the writing of the past. It's the history that we know and have access to.

### "Nothing Happened Here": History vs. history - Without ...

The U.S. Capitol is a landmark of neoclassical architecture. Its designs derived from ancient Greece and Rome evoke the ideals that guided the nation's founders as they framed their new republic. Within the building you will find majestic paintings, sculptures, and other works of fine art that depict various periods in American history.

In the 4th century Burdigala, then the capital of Aquitania Secunda (one of the three parts into which the emperor Diocletian had divided Aquitania), was described by the writer Ausonius, a native of the city, as a square, walled town and one of the great educational centres of Gaul.

### Bordeaux | History, Geography, & Points of Interest ...

The title of capital was claimed by other cities such as Argos, Corinth, Piraeus, as well as Nafplio, the hitherto capital of the country. The reasons that led Athens to finally being chosen have to do with its glorious history as the cradle of ancient Greek culture, while the decision was probably influenced by the King of Bavaria, Ludwig, who ...
