Montessori Madness A Parent To

Montessori Madness is one parent's succinct overview of the philosophy, methods and results of this type of education. Though I believe the author's condemnation of traditional public schooling in the first chapter is a bit overblown, it did provide food for thought, and serve in stark contrast with the radically different world inside a Montessori classroom.

Trevor Eissler "Montessori Madness!" - 321 FastDraw - YouTube

It inspires parents to experiment and innovate and actively participate in the design of the education of their children. My sense is that Montessori Madness! began as a father's private investigation and evolved into a call to action. I have not found another book out there that gets to the heart of the Montessori education like this book does.
