Beginning this fine history, journalist von Drehle (Triangle: The Fire That Changed America) points out that in early 1862, six months after the First Battle of Bull Run (or Manassas), many loyal Northerners considered President Abraham Lincoln incompetent. By year's end few had changed their minds.

Some might think that the history of Canada would be a dull, colorless subject, but that is far from the case. Our northern neighbor over the course of centuries rose from its first settlements in the North American wilderness to being an important and respected nation, and Conrad Black chronicles that story in "Rise to Greatness."
