Had seen the film "The Commitments" years before, but getting into the dialect of the reading and the trilogy itself was a real treat. Human, gritty, poignant and full of humor. These are stories of the heart, a window into that part of the world and interactions that are universal with a real Irish flavor.

This was the middle book in Doyle's Barrytown trilogy. Where The Commitments was more funny than sad, and The Van more sad than funny, The Snapper dared to combine the two in equal measure. A bittersweet slice of Irish life, The Snapper contains very human characters brought to life with beautifully nuanced performances, writing, and direction.
