The Innovator's
Solution: Creating and
Sustaining Successful
Growth by Clayton
Christensen Summary

The solution to the innovator's dilemma is two-fold: first, get top-level commitment by framing an innovation as a threat during the resource allocation process; later, shift responsibility for the project to an autonomous organization that can

The Innovator's Solution (2003) is Christensen's follow up to his landmark book, the Innovator's Dilemma (1997), which presented to the masses his (now) classic theory of disruptive innovation. In Solution, Christensen gives a good overview of what the dilemma actually is, so it didn't seem necessary to have read Dilemma to understand

The Innovator's
Solution starts out by
describing the
'dilemma', and in one
chapter removes the
need to even read the
original work. It then
proceeds to offer an
array of approaches to
handling disruptive
innovation in large
organizations. In the
following post, we'll
