The legacy of the Levellers can be found in the founding ideas of the American Revolution as well as in the struggles for freedom and democracy across the world.

The Leveller Revolution: Radical Political Organisation In ...

The book combines the military-political history of the English revolution with an account of the social and ideological struggles that produced, out of the backstreets of 17th-century London, one of modernity's first revolutionary social movements.' --Paul Mason, Guardian Books of the Year 2016

The Leveller Revolution: Radical Political Organisation In ...

By the 1640s, the Levellers were a recognizable movement that made creative use of street protests and of petitions (Rees's account is filled with a dizzying number of petitions and remonstrances), usually coordinated around a specific issue—a dissenter's imprisonment, an unjust magistrate, an onerous fee or tax.

The Leveller Revolution: Radical Political Organisation In ...

Foxley is predominantly concerned with Leveller political theory, perhaps the most difficult area in which to make the case for their coherence and novelty as a movement since they were at heart a political organisation responding to fast-emerging challenges. And it was in response to these that they developed their arguments.

The Levellers: Radical Political Thought in the English ...

The Levellers were a political movement during the English Civil War (1642–1651) committed to popular sovereignty, extended suffrage, equality before the law and religious tolerance. The hallmark of Leveller thought was its populism, as shown by its emphasis on equal natural rights, and their practice of reaching the public through pamphlets, petitions and vocal appeals to the crowd.

Levellers - Wikipedia

While much has been written about the English Revolution and the Levellers, John Rees's The Leveller Revolution: Radical Political Organisation in England, 1640-1650 (Verso, 2016) is an essential book for those interested in revolutionary history as well as for activists concerned with questions of organization and strategy today.

Remembering the English Revolution - New Politics

I have tried to...examine the Levellers as a political movement integrating activists from different constituencies, and creating still broader alliances with other political currents, for the joint pursuance of revolutionary ends. (Rees, The Leveller Revolution, p. xx) The Leveller Revolution has multiple strengths. Rees' arguments are persuasive; he makes a strong case that the Leveller organisation emerged out of pre-existing radical networks consisting of individuals who already had ...
