Summary. Antônio Frederico de Castro Alves was a Brazilian poet and playwright, famous for his abolitionist and republican poems. He was known as the poet of the slaves. During his childhood, spent in what is now the town of Castro Alves, and in the state capital, Salvador, he discovered the importance of struggle from his campaigning uncle. In writing the biography, Amado exhibits what has ...

The title consists of two major elements “literary theory” and “third world literature”. The first part of the title “literary theory” indicates that the emergence of third world literature has an influence on literary theory and the second part indicates that the third world has a literature which has its own specificity and it is different from the first world literature.
