10 quotes from Translations: "To remember everything is a form of madness." "Yes, it is a rich language, Lieutenant, full of the mythologies of fantasy and hope and self-deception – a syntax opulent with tomorrows.

Translations Quotes by Brian Friel - Goodreads

an eloquent, moving play about the love of one's native language (Irish) and the plight of lost languages (Latin, ancient Greek, and so on). Of course, it was written after the largely successful revival of the Irish language. There's your delayed "happy ending." (It's not the same, though, not by a long shot.)

Translation is the communication of the meaning of a source language text by means of an equivalent target language text. The English language draws a terminological distinction (which does not exist in every language) between translating (a written text) and interpreting (oral or signed communication between users of different languages); under this distinction, translation can begin only ...
