“Turn the Glasses Over” is quite an old song and was usually sung around harvest time in Europe. Farmers would get together after their long days/weeks of harvesting the crops would drink and be merry and sing this song. What a perfect song for October/November and harvest time!

Over - Playing with Form! - Make Moments ...

Over, over, three times
over. Drink a glass of
lemonade. And turn
the glasses over.

Sailing east, sailing
west, Sailing over the
ocean. Better watch
out when. The boat
begins to rock. Or
you'll lose your
partner. In the ocean.
