Why Simple Wins Escape The

Using simple stories and techniques, Why Simple Wins shows that by using simplicity as an operating principle, we can eliminate the busy work that puts a chokehold on us every day, and instead spend time on the work that we value.

Why Simple Wins: Escape the Complexity Trap and Get to

...

"Why Simple Wins" was an odd duck of a book. While about simplicity, I found the book repetitive. And I was surprised at the perspectives on simplicity presented here - most of the book is on business simplicity, generally process simplicity, while parts are more about personal simplicity, like the simple living books
